

Custom Video Tribute

We offer video tributes as a special way to honor the memory of your loved one. Video tributes provide a meaningful and very personal backdrop to the memorial service, and provide your family with a meaningful keepsake after the ceremony is over. In most cases, your video can be prepared and ready to use in time for your loved one's prayer service. We will provide you with a DVD copy, and additional copies may be ordered. The video will be hosted on our website for at least three months at no additional charge, so you can share it with family and friends.

Simply provide us with up to 100 photographs and we will blend a beautiful cinematic introduction, tasteful background music and professional effects to create a deeply meaningful tribute.
