Andrea Liv Thomte was born on April 27, 1943 in Boscobell, Wisconsin to Philip and Alice Thomte. She grew up in Coral City, Wisconsin with her two sisters; Kris (Astrid) Richards and Maren Spencer; and went to Coral City School, where she met Dale, the love of her life, in 1st grade. Andrea attended Whitehall High School in Whitehall, WI and Luther College in Decorah, IA. Andrea and Dale were married on June 24, 1967. They lived in Pine Island, MN for over 50 years and moved to Fargo, ND in July 2023.

Andrea taught elementary school and worked as the Community Education Director in Pine Island. Andrea and Dale traveled to all 50 states and lead student trips to Europe. When Dale retired from teaching, Andrea and Dale lead adult trips to Europe and other places in the world for over 20 years. Andrea suffered from dementia and was finally set free when she died on October 4, 2025.

Andrea is survived by her daughter, Kari (Matt) Bollant and Erik (Kristen) Phillipson; and six grandchildren. Dale passed away on May 11, 2025. The 140 days between their deaths was the longest time they'd been apart.

They are together again and probably hanging out on Blueberry Hill or having coffee on the porch.
